

Chairperson report 2016-17

Again I feel privileged to be an active member of our family orientated club.

A big "thankyou" to everyone who has helped during another busy year with, many taster sessions, Oughtibridge Gala, football teams day with over 100 paddling which was manic, to say the least!!

Monday evening group sessions have been enjoyed by many children and young people.

We have run 2 popular well attended slaloms.

Despite a sudden drop in temperature the candle paddle in October saw many well lit boats and paddlers.

The Club begins a new era as a limited company by guarantee. At present we have 4 directors with an option for 5. We don't have share holders but it safeguards club members from being personally liable, should the club be 'wound up' and have debts.

Our Club forms part of the Forge Lane Sports ground Community Interest Company (CIC) previously known as Dixon sports Ltd

Our Club committee remains unchanged, without this our club cannot function.

We need more coaches if you are interested please let the committee know, the club can offer financial support towards this for the benefit of our members.

Here's to another year promoting all aspects of the sport and having fun.

Ian Holmes
